H.B. No 5326- An act concerning compassionate aid in dying for terminally ill patients March 17, 2014

Lilly Martin

Members of the Public Health Committee,

My name is Lilly Martin and I am senior at St. Paul Catholic High School in Bristol. I am writing this letter in opposition to the proposed bill H. B. No 5326- an act concerning compassionate aid in dying for terminally ill patients.

This bill would go against my religious beliefs. This fifth commandment states "You shall not kill" and this means that the taking of any life is morally wrong. If this bill was passed it could lead to extreme practices like child euthanasia. Human life is sacred and should get the dignity of life that it deserves! I don't support this bill.

Thank you!
